COMMENTS ON RESULTS

<u>RESULTS</u>

Despite the challenging environment in which the company operated in 2020 due to the Covid-19 pandemic whereby no activities were recorded for a period of three months during the first semester, the results for the year under review have been encouraging. The 2020 racing season started on 20 June 2020 and consisted of 32 meetings compared to 38 for 2019, thus impacting the horse racing income (tote) which amounted to Rs 258.1 million compared to Rs 283.7 million in 2019. The football betting income (fixed odds), despite the suspension of various European football leagues, pleasantly remained at par with last year at Rs 111.3 million.

Our subsidiary company, Megawin Ltd, which operates in Ivory Coast, showed a significant improvement in its commission income generating an increase in its operating profits from 6.8 million in 2019 to Rs 14.3 million in 2020.

The Group's income for the year ended 31 December 2020 amounted to Rs 396.8 million compared to Rs 414 million for the year ended 31 December 2019. The group's profits improved from Rs 32 million for the year ended 31 December 2019 to Rs 43.3 million for the year under review. This is mainly due to improvements in the results from fixed odds and from Megawin Ltd. Earnings per share stood at Rs 11.04 for 2020 compared to Rs 8.27 for the previous year.

<u>OUTLOOK</u>

Mauritius is under a second COVID-19 lockdown since early March 2021 thus delaying the beginning of the 2021 racing season and affecting the football betting operations. Despite this challenging environment the Board remains optimistic regarding the company's performance for 2021.
